Tooth Brushing Opt-Out Form

Unless parents opt out, state regulations require that children brush their teeth after having lunch at school. TBC will supply a toothbrush and toothpaste for all students. Toothbrushes will be individually labeled, stored in a safe and sanitary manner, and open to air without touching. This applies only for those students staying in the Après-Midi program.

If you would like to Opt-Out, please complete the form below.

I hereby inform the Teddy Bear Club that I would not like my child to have his/her teeth brushed while at school.

Child Name: _____

Parent Name: _____

Parent Signature: _____

Date: _____
